## **Mission**

### **This is the Mission of the People of Golden Mustangs Petroleum, Inc...**

- **We will provide quality products and dependable service to our customers at competitive prices worldwide.**
- **We will challenge ourselves to provide unique products and service advantages above our competition.**
- **We will seek long-term relationships with both customers and suppliers based on mutual agreement distinguished by trust and understanding.**
- **We will endeavor to attract, develop, and retain superior individuals to safely perform and administer business operations.**
- **We will strive for continuous improvement in all that we do.**
